

BUILD TO RENT

AFFORDABLE HOUSING AND SUSTAINABLE INVESTMENT: IS BUILD TO RENT A RESPONSE TO THE CURRENT CRISIS?

SYNOPSIS

At a time when access to housing is one of the main social and economic challenges facing cities, the Build to Rent model emerges as an alternative increasingly discussed among policymakers, investors, developers, and industry professionals. This debate brings together experts and decision-makers for an in-depth reflection on Build to Rent in its multiple dimensions:

- A public policy instrument to promote affordable housing.
- An investment opportunity with social impact.
- An urban planning, regulatory, and fiscal challenge.
- A long-term sustainable business model.
